Course description

14th EPODES Basic is an interactive course on surgically remediable epilepsies, presurgical evaluation, scalp and intracranial EEG, neuropsychology, imaging and psychiatric issues of surgical patients before and after surgery. EPODES courses are organized in three-year cycles. This year the course will be dedicated to epilepsy surgery focused on mainly basic information including selection of surgical candidates, presurgical evaluation, different focal epilepsies-Surgical techniques and outcome. The programme consists of presentations by keynote speakers and case presentations by tutors and students.

The course is organized as part of the European Project of Development of Epilepsy Surgery Programs (EPODES) under aegis and with funding from the Education Council of the International League against Epilepsy and ILAE Europe.

Faculty

Christoph Baumgartner (Austria), Milan Brázdil (Czech Republic), Christine Bulteau (France), Helen Cross (UK), Arthur Cukiert (Brazil), Cristine Cukiert (Brazil), Daniel Fabó (Hungary), Philippe Kahane (France), Pavel Kršek (Czech Republic), Petr Marusič (Czech Republic), Angelika Mühlebner (Germany), Çigdem Özkara (Turkey), Georgia Ramantani (Switzerland), Ivan Rektor (Czech Republic) Bertil Rydenhag (Sweden)

Registration

Registration fee: 1200 € includes accommodation for 4 nights in a double room (hotel International), meals and course handouts

Other room options are available, please see the website.

Requirements for application

- 1) Neurologist, paediatric neurologist or neurosurgeon with interest in epilepsy surgery. Also junior members of established teams are welcome.
- 2) All application forms have to be accompanied by a CV and a recommendation letter from the director of the hospital or chair of the department.
- 3) Adequate knowledge of English to follow the course and participate in the discussions is needed.

The course starts on **Jan 20th** and finishes on **Jan 24th 2025**.

Bursary information: Please note that number of bursaries is limited. Should you choose to apply for bursary for this course, you won't be able to ask for bursary for other ILAE courses in the same year. Also, priority in getting the bursary will be given to participants who attend the EPODES course for the first time.

Deadline for all applications: 30th September 2024

To apply, please fill in an **ONLINE REGISTRATION FORM** and **Accommodation, Transfer & Payment FORM** on the course website.

More Information will be available soon on
